Pest Control Service Agreement

Our Quarterly Treatment Plan is the safest, most efficient pest plan offered. The initial treatment is interior and exterior with the quarterly follow up treatments on the exterior, keeping the pest and the pesticides outside. Interior treatment on demand at no charge when needed.

The Company (Petti Pest Control) agrees to provide pest control service at the service address above. The company will provide pest control service (frequency listed below) for the pest(s) checked below. Customer agrees to make the place of service available for the treatment and/or inspection(s) as necessary. This agreement does not provide for the repair of present or future damages at the service address nor reimbursement for repair damages allegedly arising from pest infestations. In entering into this agreement, the customer waives all claims for damages to property or persons which may result indirectly from work performed by the company, except gross negligence on the company's part. This agreement does not include service for termites or other wood-destroying insects, nor does it provide for damage arising from infestation by the same. Warranty applies to pests on the structure only unless otherwise stated.
